

KEY INFORMATION FOR TOURISTS TRAVELING TO INDIA

India is currently **open** to international tourists. In addition, the **first 500,000 tourists will be issued free single-entry tourist visas**. This scheme is valid on a first-come-first-served basis till March 31, 2022.

So far (8th February 2022), 1.66 billion doses of the vaccine were administered across the country. **53.3% of the total population of the country** has been administered with **both doses of the COVID-19 vaccine** and 69% of the population has received at least one dose.

CURRENT TRAVEL ADVISORY AND GUIDELINES

The following guidelines have been put in place for inbound travelers:

A.1. Planning for Travel

i. All travellers should:

- a) Submit complete and factual information in self-declaration form on the online Air Suvidha portal (<https://www.newdelhiairport.in/airsuvidha/apho-registration>) before the scheduled travel, including last 14 days travel details.
- b) Upload a negative COVID-19 RT-PCR report* (The test should have been conducted within 72 hrs prior to undertaking the journey).

or

Certificate of completing full primary vaccination schedule of COVID-19 vaccination**.

- c) Each passenger shall also submit a declaration with respect to authenticity of the report and will be liable for criminal prosecution, if found otherwise.
- ii. They should also give an undertaking on the portal or otherwise to Ministry of Civil Aviation, Government of India, through concerned airlines before they are allowed to undertake the journey that they would abide by the decision of the appropriate government authority to undergo home/institutional quarantine/ self-health monitoring, as warranted.

A.2. Before Boarding

- iii. Do's and Don'ts shall be provided along with ticket to the travellers by the airlines/agencies concerned.
- iv. Airlines to allow boarding by only those passengers who have filled in all the information in the Self Declaration Form on the Air Suvidha portal and uploaded the negative RT-PCR test report or Covid -19 vaccination certificate of having completed the primary vaccination schedule**.
- v. At the time of boarding the flight, only asymptomatic travellers will be allowed to board after thermal screening.

- vi. All passengers shall be advised to download Aarogya Setu app on their mobile devices.

A.3. During Travel

- vii. In-flight announcement about COVID-19 including precautionary measures to be followed shall be made at airports and in flights and during transit.
- viii. During in-flight crew shall ensure that COVID appropriate behavior is followed at all times.
- ix. If any passenger reports symptoms of COVID-19 during flight, he/she shall be isolated as per protocol.
- x. Proper in-flight announcements should be made by the airlines regarding the testing requirements and people who need to undergo such testing to avoid any congestion at the arrival airports.

A.4. On arrival

- xi. De-boarding should be done ensuring physical distancing.
- xii. Thermal screening would be carried out in respect of all the passengers by the health officials present at the airport. The self-declaration form filled online shall be shown to the airport health staff.
- xiii. The passengers found to be symptomatic during screening shall be immediately isolated and taken to medical facility as per health protocol. If tested positive, their contacts shall be identified and managed as per laid down protocol#.
- xiv. **The following protocol post arrival shall also be followed:**
 - a) A sub-section (2% of the total passengers in the flight) shall undergo random post-arrival testing at the airport on arrival.
 - b) Such travellers in each flight shall be identified by the concerned airlines (preferably from different countries). They will submit the samples and shall be allowed to leave the airport.
 - c) If such travellers are tested positive, their samples should be further sent for genomic testing at INSACOG laboratory network.
 - d) They shall be treated/isolated as per laid down standard protocol.
- xv. All travellers will self-monitor their health for next 14 days of arrival.
- xvi. If travellers under self-health monitoring, develop signs and symptoms suggestive of COVID-19 or test positive for COVID-19 on re-testing, they will immediately self-isolate and report to their nearest health facility or call National helpline number (1075)/State Helpline Number.

International travellers arriving at seaports/land ports

- xvii. International travellers arriving through seaports/land ports will also have to undergo the same protocol as above, except that facility for online registration is not available for such passengers currently.
- xviii. Such travellers shall submit the self-declaration form to the concerned authorities of Government of India at seaports/land ports on arrival.
-

** Children under 5 years of age are exempted from both pre- and post-arrival testing. However, if found symptomatic for COVID-19 on arrival or during home quarantine period, they shall undergo testing and treated as per laid down protocol.*

*** There are Countries which have agreement with India on mutual recognition of vaccination certificates of Nationally recognised or WHO recognised vaccines. Similarly, there are Countries which presently do not have such an agreement with India, but they exempt Indian citizens fully vaccinated with Nationally recognised or WHO recognised vaccines. On the basis of reciprocity, the travellers from only such Countries which provide quarantine-free entry to Indians will be allowed for relaxation under Certificate of completing full primary vaccination schedule of COVID-19 vaccination. The listing of such Countries is available on website of Ministry of Health & Family Welfare (mohfw.gov.in) and the link of the same will be available at website of Ministry of External Affairs and Air Suvidha Portal. This is also a dynamic list and will be updated from time to time. The travellers from such countries only are considered for allowing entry based on vaccination certificate & shall upload their fully vaccinate certificate on the Air Suvidha portal.*

Contacts of the suspect case are the co-passengers seated in the same row, 3 rows in front and 3 rows behind along with identified Cabin Crew.

List of Countries/Regions in respect of which primary vaccination schedule completion certificate is allowed to be uploaded:

| 21. Cyprus | 42. Mali | 63. Saudi Arabia | |

ADDITIONAL INFORMATION

The above mentioned guidelines are being reviewed periodically by the government and the health authorities of India. The guidelines are subject to change with short notice and will be updated depending on the current situation of the pandemic in the country. Please do check with us for the latest guidelines before you travel.

We recommend tourists be fully vaccinated before travelling to India. *Unvaccinated or partially vaccinated travelers should avoid non-essential travel to India, at this point.* The country may restrict travel or bring in new guidelines at a short notice, for example due to a new COVID-19 variant.

Also, travelers may be required to take a RT-PCR test before departing India. Please do check your onward destination's protocols and requirements no more than 96 hours prior to your departure.

If you need any further information about entry requirements, please check with us for the latest information.
